Last Year.

ons of persons were affected by an approcedented shortage of food, the nerican Red Cross during the last iscal year spent more than \$1,200,000, \$1,000,000 of which was contributed dievery by National Headquarters and the remainder by various groups in-

rested in the welfare of China. Through the wide relief operation us made possible it is estimated that than 600,000 famine sufferers re saved from starvation.

To the end that similar prompt reof measures by the organi mys be possible the Red Cross Is king continued support by the Ameran people by universal renewal of onbership at the Annual Red Cross oil Call, November 11 to 24.

The method of relief employed by the merican Red Cross in its opera-tors in China was particularly effece, for in addition to saving hundreds thousands of lives it provided China ith more than 900 miles of permanent ronds that are sorely needed to preveni a recurrence of famine. At one time the Red Cross employed 74,000 ese workmen, paying them in food themselves and dependents, this being brought in from Manchuria else where.
